Kina'ole is a subsidiary of the Kina'ole Foundation, a 501(c)(3) non-profit Native Hawaiian Organization founded in 2006 and based in Honolulu, HI. The Kina'ole Foundation was created to support programs promoting social and economic advancement for the people of Hawaii.

As Native Hawaiian Organization (NHO), certified 8(a) small businesses, the Kina'ole Family of Companies offers the ability to provide rapid, cost-effective contracting solutions through direct awards.

NHO 8(a) Sole Source Award guidance in 13CFR124.506(b)(2) and 13CFR124.517(a) allows Kina'ole companies the unique ability to receive direct awards up to \$100M that cannot be protested because of our NHO 8(a) status. Using this method provides our customers the ability to procure services rapidly, at fair negotiated prices, and with fewer uncertainties compared to the competitive bidding process across all requirements.

NHO 8(a) PROGRAM ADVANTAGE

The NHO 8(a) direct award process can accelerate the procurement cycle by as much as 120 days compared to traditional procurement methods. This helps reduce cost, reduce risk of protests, and enables projects to begin more quickly for our customers.

NHO 8(a) Direct Award vs. Traditional Procurement

(Minimum days to contract award)

The NHO 8(a) direct award option can significantly shorten the procurement cycle, reduce cost, and enable work to start sooner.

BENEFITS OF CONTRACTING WITH KINA'OLE
